## Tutorial Spirit Living

The Philosophy Expanded (B)

It's easy to think of a "tutorial spirit" as something that relates to education only. After all, a tutor "teaches." So, if one isn't the tutor/teacher, how could a "tutorial spirit" possibly have anything to do with him/her?

In this lesson, we're going to look at the other half of our topic to consider and ponder: the spirit. There's a lot to unpack here. And, it wraps us back around to some of what you worked through in the Segue Module 0/1. So, you may find it helpful to go back to the notes from your personal study to help you with your assignments.

**Webster's 1828 Dictionary: SPIR'IT, noun [Latin spiritus, from spiro, to breathe, to blow. The primary sense is to rush or drive.]**

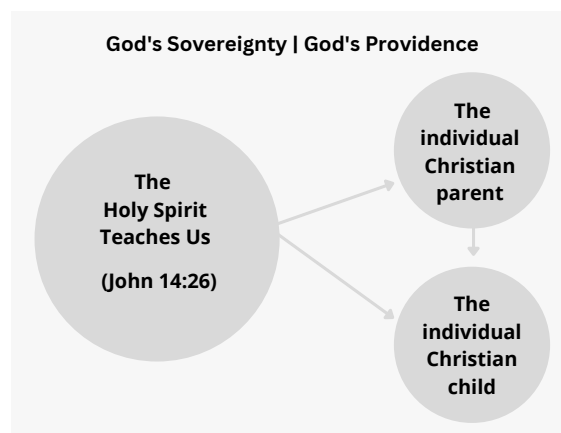

6. An immaterial intelligent substance. spirit is a substance in which thinking, knowing, doubting, and a power of moving do subsist. Hence,

8. Turn of mind; temper; occasions; state of the mind. A perfect judge will read each work of wit, with the same spirit that its author writ.

10. Sentiment; perception. You spirit is too true, your fears too certain.

12. A person of activity; a man of life, vigor or enterprise. The watery kingdom is no bar to stop the foreign spirits, but they come.

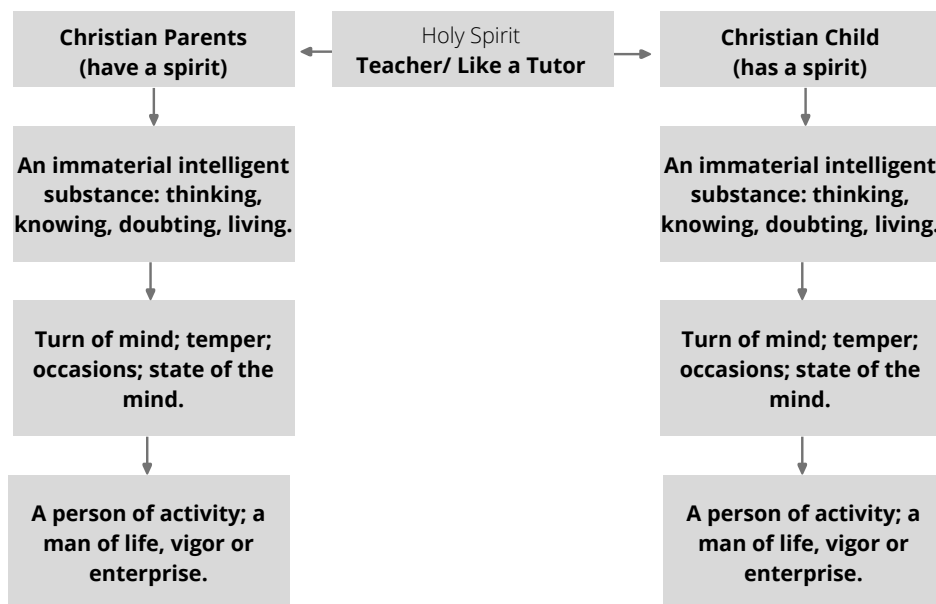

Remember the graph below from the previous lesson? We're going to rework it to help us unpack the word *spirit*. See the chart on the following page.

## Tutorial Spirit Living

The Philosophy Expanded (B)

The Holy Spirit teaches us about all things: "And as for you, the anointing which you received from Him remains in you, and you have no need for anyone to teach you; but as His anointing teaches you about all things, and is true and is not a lie, and just as it has taught you, you remain in Him." -1 John 2:27 (NASB)

What can you reason from these definitions? Is "Tutorial Spirit Living" only pertaining to home**SCHOOL**? Or, is it also pertaining to **HOME**school *and all the rest of life*?

Let me help you get the ball rolling with a couple of examples:

We can reason that:

- Being made in God's Image, we are designed with an immaterial intelligent substance (a spirit).

We can further reason that the Holy Spirit teaches our:

- thinking (how to think in all areas of life--plan, judge, do; informing our conscience)

## Tutorial Spirit Living

The Philosophy Expanded (B)

The purpose of the following assignments are for you to sort out what Tutorial Spirit Living looks like:

## **The Tutorial Spirit**

The Philosophy Expanded (B)

Please use the following Scriptural references in times when you need encouragement, refreshment, or reminders.

### **To Bless You**

"When the humble see it they will be glad; you who seek God, let your hearts revive."

-Psalm 69:32 ESV

"Give instruction to a wise man, and he will be still wiser; teach a righteous man, and he will increase in learning."

-Proverbs 9:9 ESV

"And we impart this in words not taught by human wisdom but taught by the Spirit, interpreting spiritual truths to those who are spiritual. The natural person does not accept the things of the Spirit of God, for they are folly to him, and he is not able to understand them because they are spiritually discerned."

-1 Corinthians 2:13-14 (ESV)

"All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness,"

-2 Timothy 3:16 ESV
